LIEDER ALIVE! is privileged to continue its unique teaching program with the presentation of renowned Swedish baritone **Håkan Hagegård** in a five-day Master Workshop based on "Singers Studio Sweden," an intensive vocal training program that Mr. Hagegård created and directs in Stockholm. In the days leading up to the public event onstage, the master artist will lead seven of the most outstanding professional and emerging young singers in a series of private master classes.

The culminating public master class, *Singers Synergy*, will feature Mr. Hagegård sharing his vast wisdom with these gifted artists. We will have the opportunity to experience the extraordinary synergy that is to be realized when singer, song and audience combine for a live performance.

This program is sponsored in part by a grant from the Pro Suecia Foundation.

We'll have fun trying to get insight into the best profession in the world.
